

Welcome to ISG Exhibitions

And we are dedicated have over a decade of experience in events marketing and are dedicated to providing exceptional events management services to our clients.

Events Marketing Consultation

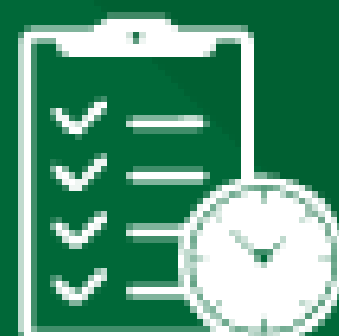

We help your company choose, contract, and participate in events related to your business. We manage the whole process from contacting organizers to your presence on the ground of the event.

Events Management

We can turn your event idea into reality with our full suite of services, including events marketing, event production and staging logistics, theme creation, event operational manual, LED screens, video shooting, photography, AR/3D mapping, XR projectors, voting keypads, and interpretation services. Trust us to make your event a success. Contact us today to learn more about our services and how we can help your business thrive!

Booth design

Our team of creative designers will take your booth design to the next level, ensuring that it stands out at the event.

Client Brief

The client provides a brief to ISG Exhibitions outlining their requirements and objectives for the booth

CLIENT
BRIEF

Design Concept

ISG Exhibitions creates a unique and innovative design concept for the booth based on the client's brief and presents it to the client for approval.

Design Development

Once the design concept is approved, ISG Exhibitions develops detailed plans and specifications for the booth using their expertise and experience in the industry.

Booth Construction

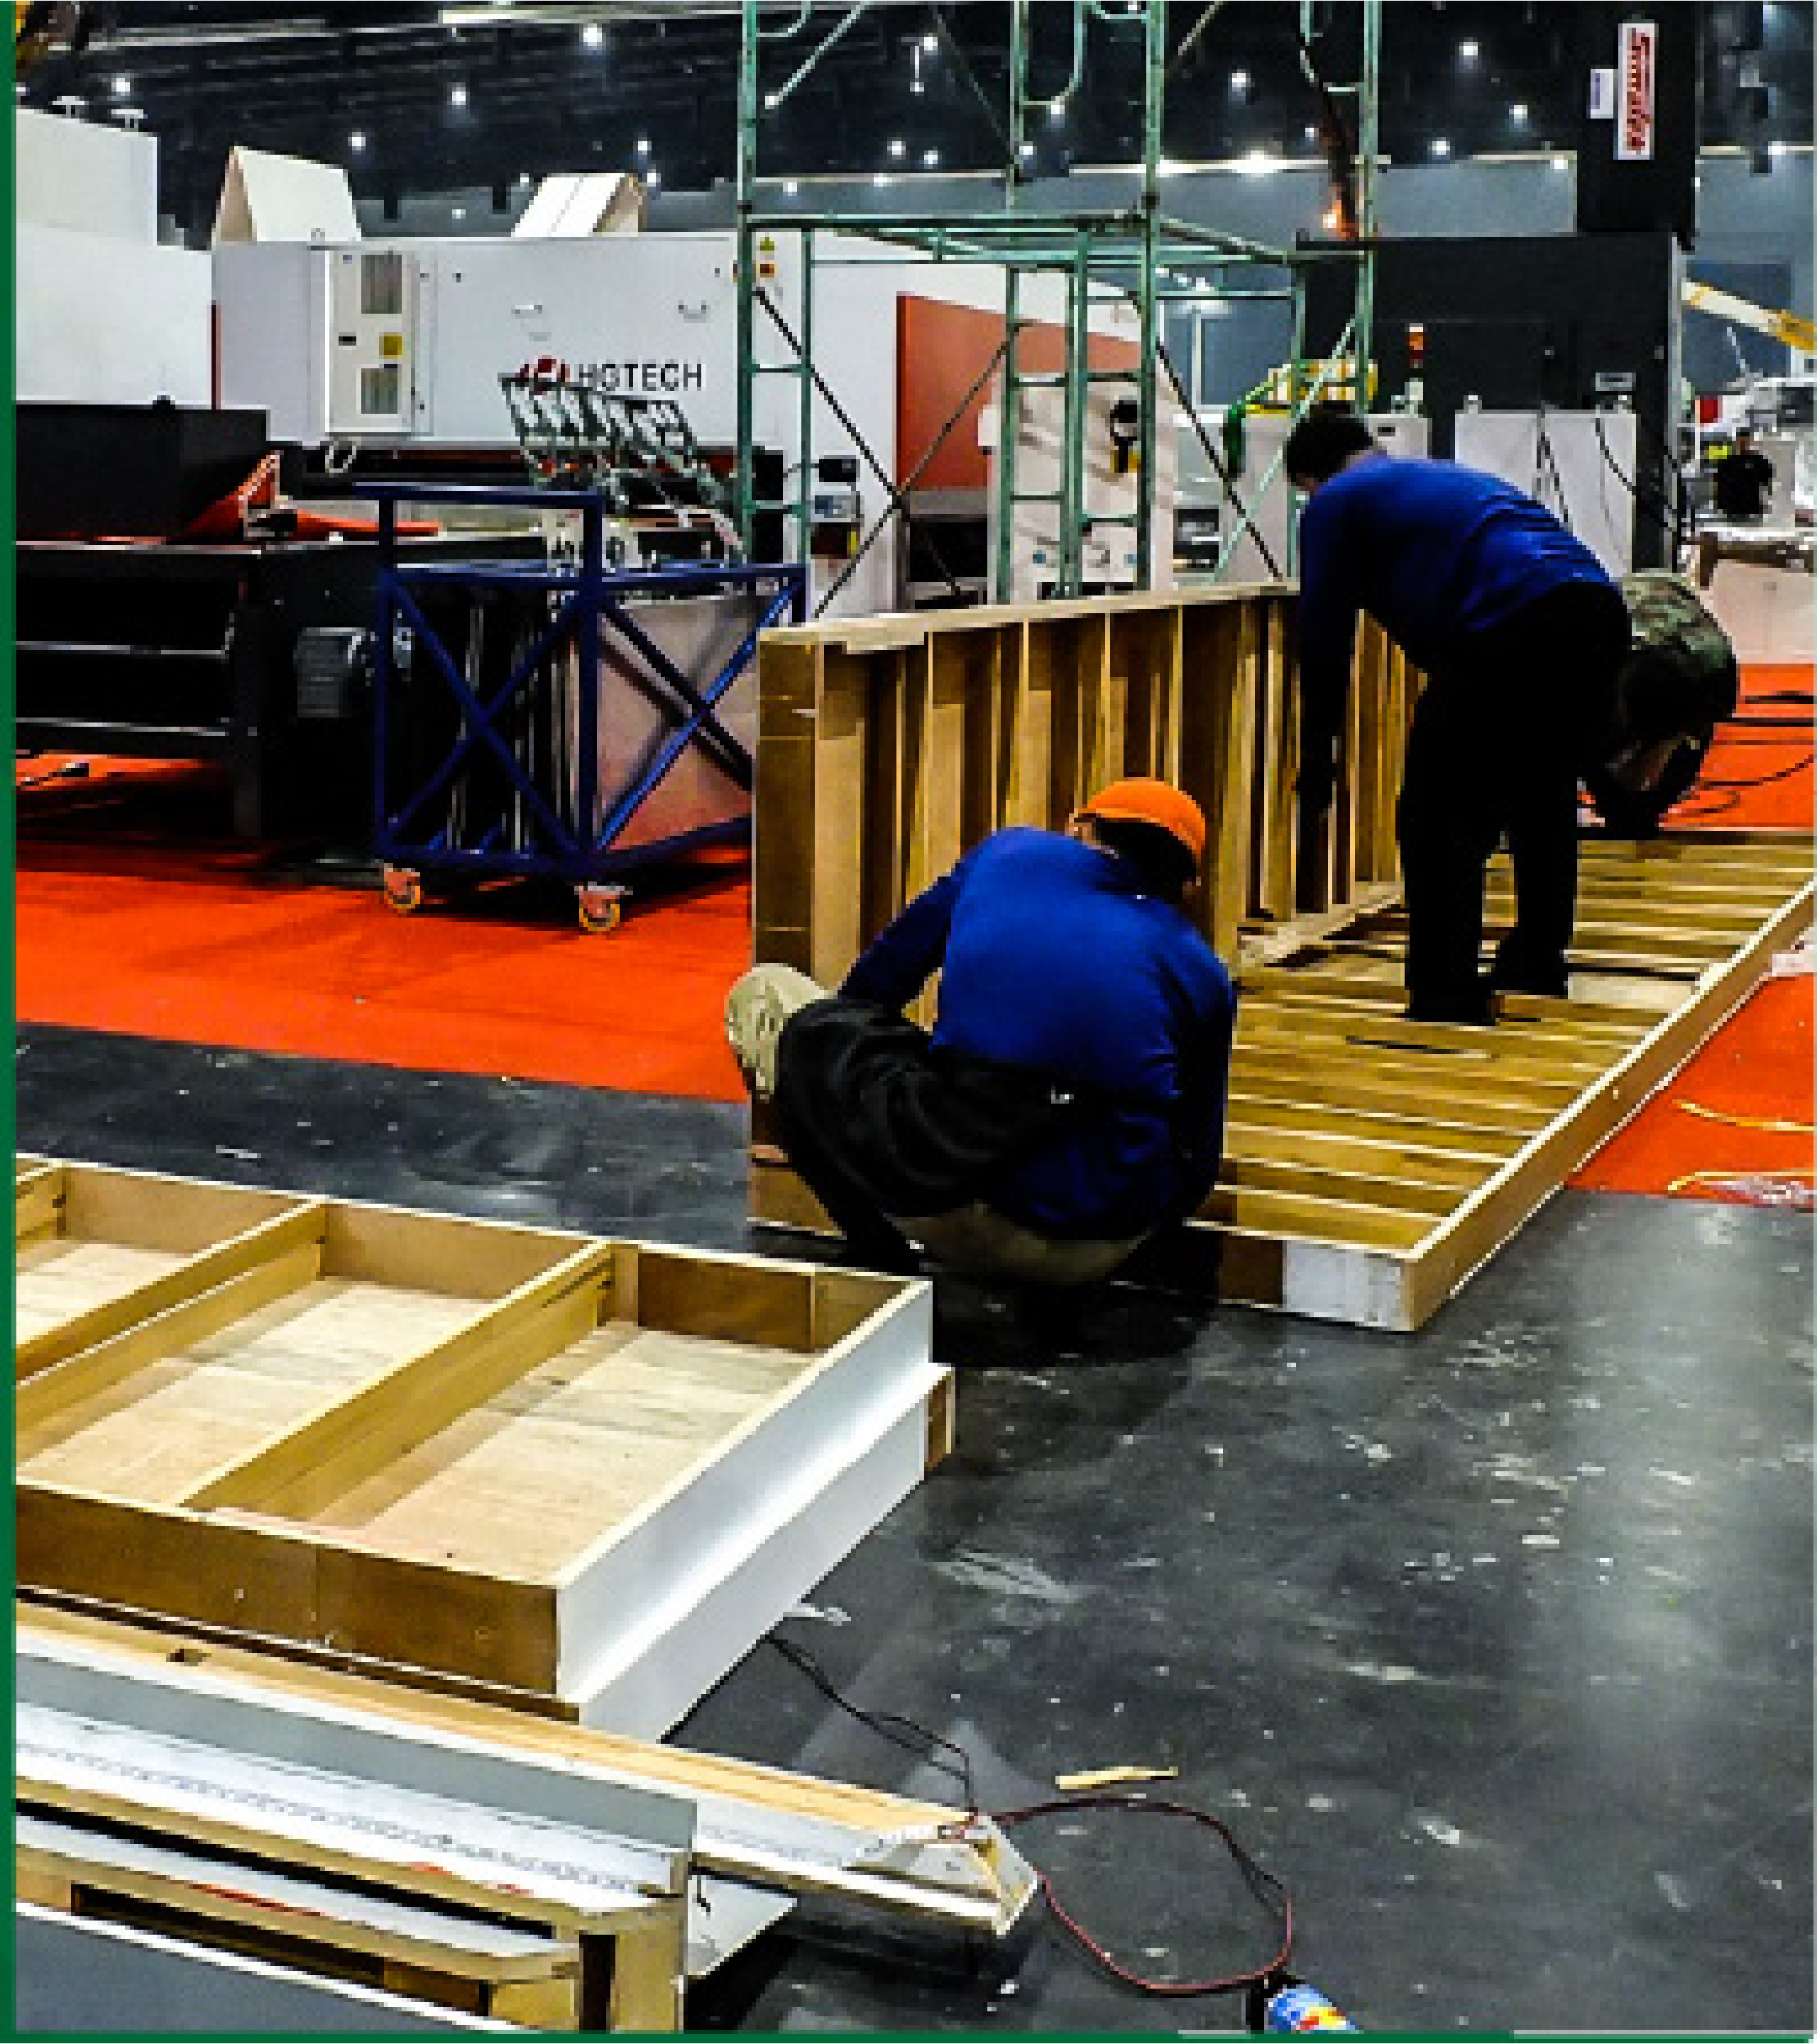

The booth is constructed by ISG Exhibitions according to the plans and specifications with high-quality materials and attention to detail.

Booth Installation and Dismantling

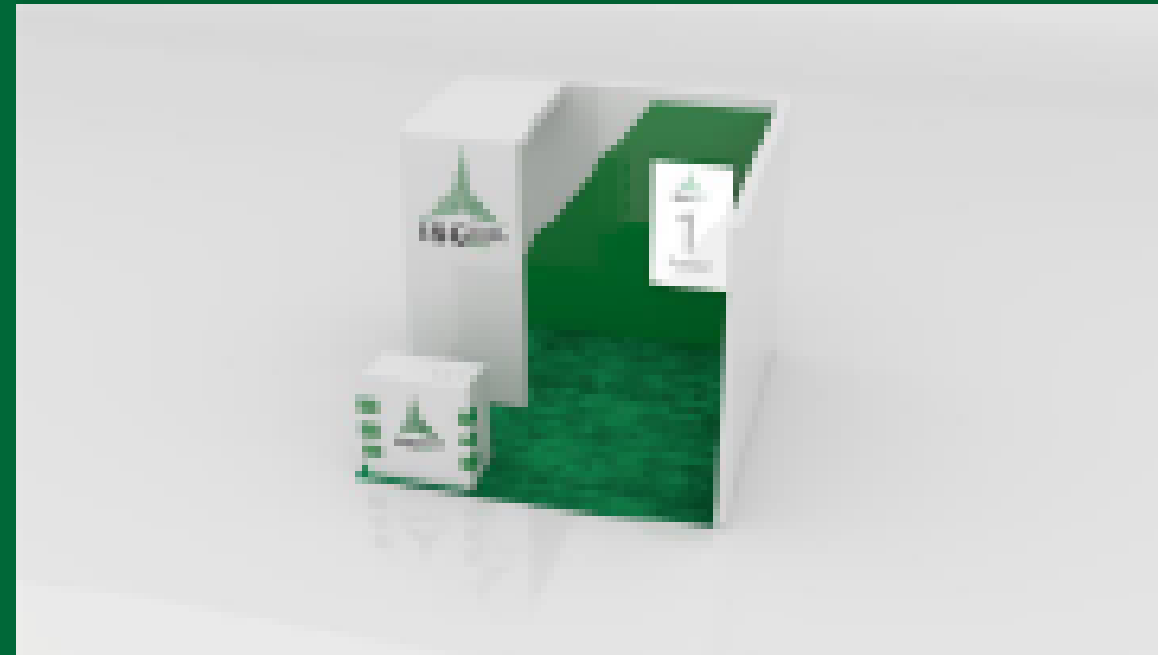

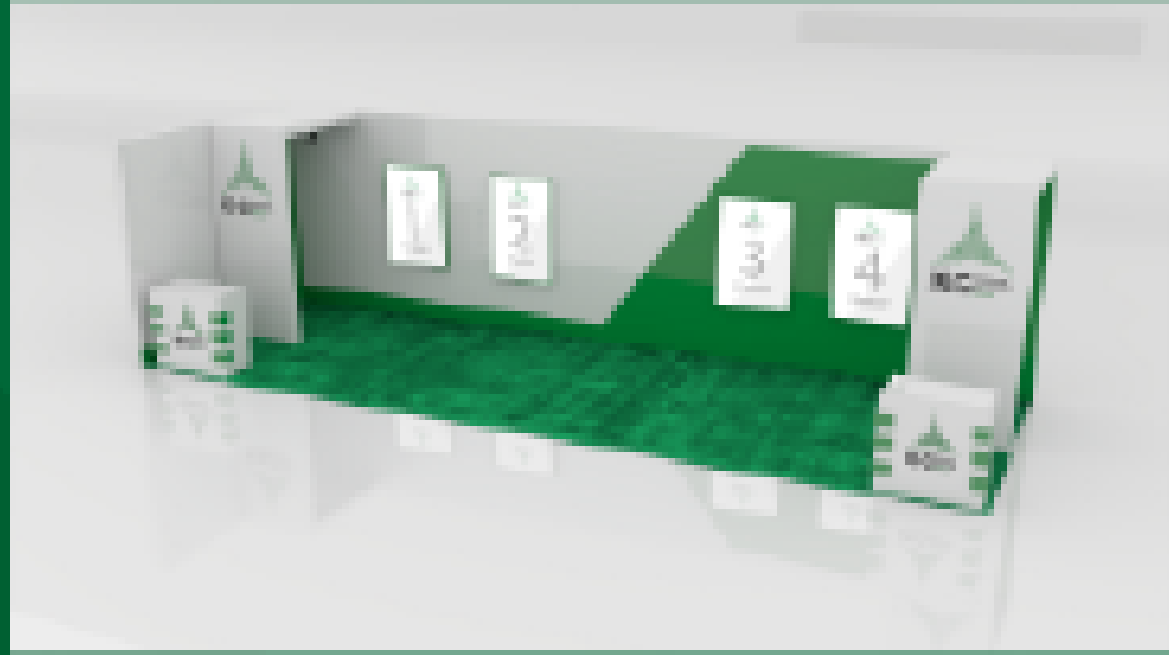

The booth is transported to the exhibition venue by ISG Exhibitions and installed with precision and care. After the exhibition, ISG Exhibitions also takes care of dismantling the booth.
